“2010” Brookline Game Matching Service

This a free service designed for the Brookline community to bring players of similar skill levels together that is designed for your convenience. This proven format is great for players of all levels, those who may be looking for different partners or players that are simply looking for more court time! All you have to do is to return the registration form below and make sure you put down your playing level information. All names and contact information will be posted on the NETRESULTS website specifying levels of play and you will be contacted or you can make contact to arrange matches. Player ratings throughout the country are based on the National Tennis Player Rating system will be used.
